1.2 "Intel Components" means a hardware component or product designed, developed, sold, or distributed by Intel or its affiliates. Intel does not make, use, sell, or import any Intel technology or third-party products, or perform any patented process, even if referenced in the Materials. Intel is providing the Materials for free and Your use of them is at Your own risk. This Agreement and the Materials are Intel confidential information and subject to Your valid corporate non-disclosure agreement with Intel (CNDAs). 9. The United Nations Convention on Contracts for the International Sale of Goods does not apply. If it doesn't start, download manually 10.3 Effect of Termination. A party's failure or delay in enforcing any provision will not operate as a waiver. You must not export, import, or transfer the Materials to any prohibited or sanctioned country, person, or entity. 1.1 "Including" means including but not limited to, whether or not capitalized. Either party may terminate this Agreement, with 30 days written notice, at any time for any reason. This Agreement begins upon Your acceptance of its terms and continues until terminated under Sections 3 or 10.2. 10.2 Termination. 9.5 Severability. A listing of any such third-party software may be in a text file accompanying the Materials. You must not use the Materials for the development, design, manufacture, or production of nuclear, missile, chemical, or biological weapons. 1.5 "Your Products" means products developed or to be developed by or for You that include an Intel Component executing the Materials. No third party will have any rights under this Agreement. Nothing in this Agreement requires Intel to grant any additional license. The rest of the provision remains fully enforceable. If we have a dispute regarding this Agreement (other than a dispute over misappropriation of trade secrets or breaches of confidentiality obligations), neither of us can file a lawsuit or other regulatory proceeding unless the complaining party provides the other party a detailed notice of the dispute and our senior managers attempt to resolve the dispute. The Materials may include pre-reease software or algorithms and may not be fully functional. It governs Your use of the Materials. 2.1 License. GENERAL. Intel requires an accepted license agreement in order to download this file. 9.4 Compliance with Laws. 10. This Agreement is governed by USA and Delaware law without regard to conflict of laws principles. If You do not agree, do not use the Materials and destroy all copies. 1.4 "You" or "Your" means you or you and your employer and its affiliates, whether or not capitalized. Except as authorized above, You will not: (a) use or modify the Materials in any other way; (b) reverse engineer, decompile, or disassemble the Materials provided in object form (except and only as specifically required under Section 2.5), or (c) use the Materials to violate or aid in the violation of any international human right. 1. 2.5 Open Source Licenses. 6. LIMIT ON LIABILITY. Intel is not required to maintain, update, or support the Materials. 9.1 Assignment. 7. Intel respects Your privacy. If any liability is found, Intel's total, cumulative liability to You will not exceed \$100.00 U.S. for all claims arising from or related to this Agreement. These liability limitations are a fundamental basis of our bargain and Intel would not have entered into this Agreement without them. 4. Nothing in this Agreement limits any rights under, or grants rights that supersede, the terms of any applicable open source software license. Ownership of the Materials and related intellectual property rights is unchanged. I accept the terms in the license agreement I do not accept the terms in the license agreement Your download will begin automatically. Upon termination of the Agreement, the licenses to You will immediately terminate and You must cease using the Materials and destroy all copies in your possession and direct Your subcontractors to do the same. 2.4 Feedback. If we can't resolve the dispute in 30 days, either of us may demand mediation and will then try to resolve the dispute with an impartial mediator. DEFINITIONS. NO WARRANTY. 10.4 Survival. LICENSES. 9.6 Waiver. No waiver of any provision of this Agreement will be valid unless in a writing signed by an authorized representative of the waiving party that specifies the waived provision. Except for any non-disclosure agreement between you and Intel, this Agreement constitutes the entire agreement, and supersedes all prior agreements, between Intel and You concerning its subject matter. 9.3 Governing Law; Jurisdiction. You will indemnify, defend, and hold Intel harmless from any allegation against Intel arising in connection with Your use of the Materials and You will pay all of Intel's losses, liabilities, and costs (including attorneys' fees) arising from the allegation. Would you like to reconsider? OWNERSHIP. If a court holds a provision of this Agreement unenforceable, the court will modify that part to the minimum extent necessary to make that part enforceable or, if necessary, to sever that part. This LIMITED DISTRIBUTION LICENSE AGREEMENT ("Agreement") is a contract between You and Intel Corporation and its affiliates ("Intel"). 5. 8. 9.2 Dispute Resolution. The Materials may include software subject to an open source license, including licenses recognized by the Open Source Initiative (). Termination of this Agreement will not terminate the CNDAs. This Agreement will not become effective, or will automatically terminate, in the absence of a CNDAs. TERM; TERMINATION; SURVIVAL. 8.2 Data Collection. 2. 3. PRIVACY; DATA COLLECTION 8.1 Privacy. That signed waiver will not constitute a waiver of any other provision. Intel will not be liable to You under any legal theory for any losses or damages in connection with the Materials, including consequential damages, even if the possibility of damages was foreseeable or known. INDEMNITY. 2.6 Third-Party Software. 9.7 Entire Agreement. You may disclose the Materials to Your subcontractor for its work on Your Products under an agreement preventing the subcontractor from disclosing the Materials to others. If you give Intel comments or suggestions related to the Materials, Intel confidential information provided in connection with this Agreement, or Intel Components, Intel can use them in any way and disclose them to anyone, without payment or other obligations to you. 10.1 Term. If we don't resolve the dispute within 60 days after the mediation demand, either of us may begin litigation. This Agreement will automatically terminate upon (a) Your breach of the Agreement, (b) an allegation that you do not have authority to bind your employer to these terms, or (c) Your assertion that an Intel Component, the Materials, or any product based on any Intel Components or the Materials infringes Your patents. Except for the express license in Section 2.1, Intel does not grant any express or implied licenses to you under any legal theory. Except for claims for misappropriation of trade secrets or breach of confidentiality obligations, all disputes and actions arising out of or related to this Agreement are subject to the exclusive jurisdiction of the state and federal courts in Wilmington, Delaware and you consent to personal jurisdiction in those courts. 2.2 Restrictions. You will be liable for your subcontractor's acts or omissions including breach of confidentiality. The Materials are subject to export controls under applicable government laws and regulations, including in the U.S. You must comply with applicable laws and regulations, including U.S. and worldwide export regulations. For information about why and how Intel may collect and use information from Your use of the Materials, see . The Materials are provided "as is," without any express or implied warranty of any kind including warranties of merchantability, non-infringement, title, or fitness for a particular purpose. All sections except Section 2.1 survive termination of this Agreement. You may not assign Your rights or obligations under this Agreement without Intel's prior written consent. By downloading, installing, or using the Materials, You agree to these terms. You must maintain all copyright or other proprietary notices in the Materials. Except as authorized in Section 2.1, you must not disclose this information to anyone, including the U.S. government. 1.3 "Materials" means software or other collateral Intel delivers to You under this Agreement. Subject to the terms of this Agreement, Intel grants to You, for the Term, a limited, nonexclusive, nontransferable, revocable, worldwide, fully paid-up license under Intel's intellectual property rights in the Materials, without the right to sublicense, to use the Materials in the development of Your Products, including modifying Materials delivered as source code, and distributing the Materials, including Your modifications, in object form, embedded in or for execution on Your Product and under terms and conditions consistent with Your rights and obligations under this Agreement. 2.3 No Implied License. Some downloaded software included in the Materials may generate and collect information about the software and usage and transmit it to Intel to help improve Intel's products and services. Your use of any third-party software is subject to Your compliance with the license You obtain directly from that third-party. This collected information may include product name, product version, time of event collection, license type, support type, installation status, hardware and software performance, and use. If You are accepting this Agreement on behalf of or in conjunction with Your work for Your employer, You represent and warrant that You have the authority to bind your employer to this Agreement. Any other licenses from Intel require additional consideration.

Dec 27, 2021 - Ourlink Wireless Usb Adapter Driver Download. clipcrack. Realtek WiFi adapter from Network Adapter #2. This adapter is an IEEE 802.11g client device that delivers unrivaled wireless. Realtek driver for RTL8188SU and Windows 7 32bit. A complete list of the Windows version. 150 Mbps Wireless USB WiFi Adapter MT7601/RTL8188CU Wi-Fi. For Windows 10 the WiFi adapter is plug & play, no need to install any Realtek software as Windows 10 finds the correct drivers and installs them automatically. Connect using Windows 10 settings and speeds match my other PC so very pleased. The signal is very strong and I've just run a comparison speed test which matches the ethernet speed.
